### **IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT**

To help the government fight the funding of terrorism and money laundering activities, all financial institutions are required by law to obtain, verify and record information that identifies each individual or entity that opens an account.

What this means for you:

When you open an account, we will ask you for your name, address, taxpayer or other government identification number and other information, such as date of birth for individuals which will allow us to identify you. We may also ask to see identification documents such as a driver's license, passport or documents showing the existence of the entity.
